

Construction Program Funds

```
graph TD; A[Construction Program Funds] --> B[Safety]; B --> C[Asset Management]; C --> D[System Improvements];
```

Safety

- Funds distributed for statewide safety
- Other funds distributed based on fatalities and serious injuries on state highways.

Asset Management

- Major bridge funding distributed directly to districts
- Remaining funds based on asset management plan. Distributed based on highway travel, bridge size and highway miles

System Improvements

- Distributed based on population, employment and highway travel.
